I'm sure I'll get to the Rangers trading for Sean Avery. But not today. I can't even begin to think about how between his dating habits and his insane rants, customized nhl jerseys, he'll be all over every page of the papers.

Johnette Howard had a great anti-Gary Bettman column last week. She does a nice job taking him to task for letting hockey leave mainstream American television.

Interestingly, Kings Jerseys, flag football jersey, Larry Brooks brought up a similar point Sunday, girls basketball jerseys, wondering why Versus doesn't have a nightly NHL highlight show.

I'm thinking about all of this because Sunday we had people over to watch the Super Bowl despite the fact that neither Mrs. PuckUpdate nor myself are NFL fans. And the people who came over also aren't football fans. Obviously,blank hockey jersey, the Stanley Cup playoffs will never have the cultural resonance of the Super Bowl (at least here in the states),nike nfl 2012 uniforms, but I remain convinced the NHL could make serious inroads if they invested money in making hockey seem like a mainstream sport. Why not throw money at Versus to bring in someone like Dan Patrick or Marv Albert to do a studio show? Why not invest in someone like Scott Ferrall,nfl and nike, who,blank baseball jersey, though crude,college basketball jersey,mlb authentic jerseys, does know hockey and can be an interesting personality?

Hockey doesn't have to be doomed. The on-ice game, shop nfl jerseys, although hardly the golden age of hockey, lsu football jersey, is comparable to the NBA. Hockey's problem is the perceived lack of prestige. But if the NHL gave it the look of a top four sport, real madrid jersey, people would respond.

Basically, Cardinals Jerseys, nfl jersey supply, I'm saying we need to teach Prince the lyrics to "O Canada."

By the way. I think I'm a better quarterback than Rex Grossman.
