

Japan YASAKI NICARAGUA is put into professional automotive electronic products manufacturing processing, direct supply production base near Ford, Chrysler and other international manufacturers of ink Xige.

Although Nicaragua abundant labor, low wages, but the lack of technical staff, such industry invested considerable resources required initial employee training, to enhance market competitiveness, expand export markets.

However, after the vendor stationed, will not only help expand the export scale and increase job opportunities, and enhance salaries and improve employee technical standards for industrial development in Nicaragua even help. Sports players red color, keep the feast? adidas Originals Super Star 80's LTHR Red

2012-04-19 11:09:15 ; Chinese shoes network cnxz.cn ; [Source: freshnessmag] Print ; Close

Chinese shoes Network April 19 hearing, the red, it can be said to be China's national colors, but also traditional oriental festive tone, whether it is the Chinese New Year holidays, birthdays, etc. birthday festival, wearing a red dress, festive Apart from, you also see the elders happy laugh, I believe all of you will feel the same bar.

For this "good start" color, it has the addition of a unique retro atmosphere of footwear choices. while the first adidas Originals launched a Super Star 80's LTHR Red, with 1-tone red tone shoes are all part of the expansion, even generalize shoelaces and soles, etc., and the classic adidas Originals Trefoil Logo golden places performance, I believe gold tone also festivals of "dotting" color bar, although not for what the East do not note to make, but such "red" color as the theme, you loyal shell toe fans may also wish to leave on a pair, the future will also You can be of much help.
