Not every shoe would become a legend, but since Tinker Hatfield, vice president of creative design NIKE Air Max sole determined to join after a transparent material, this pair of shoes on the doomed star. Starting in the 1980s, Air Max has become ubiquitous full three years, and has recently released a new Nike Air Max 90 and Air Max 95, and growth momentum for the AM family again!

The two new photos mastering classical foot, the only difference is the newly added camouflage and reflective material, to the new design gives a full fashion. The new Nike Air Max 90 Tape use blue, red atomic interpretation of a dubious POP-style camouflage, vamp it follows the 90 Tape conventional mixing fabrics and lace ultra-lightweight design. The Air Max 95 places red, blue camouflage and neon color throughout the top of the upper, did not seem tedious, the material still is the use of grain leather combined with Nubuck leather composition. Will take the lead with two new August 15 Nike store shelves in Brazil, for a suggested retail price of \$ 329.9 Brazil Lille, about HK \$ 1,108, you may wish to consult phasor retailers to see if there is not cooked into the goods Oh!
