own favorite summer wear shoes or slippers all kinds, but think about alternative brand is not too much, the object is still the primary consideration Birkenstock, personally love Boston, was the first double income is white models, But in recent years against white began to slowly lose interest, a few days ago when wandering the CPU, the accidentally discovered this double coffee color suede version of Boston, the mix is ??more interesting.

First, with his age, the color will select some of the more mature tone, coffee color is a good choice, but looks more Vintage suede material sense, with the effect will be even better, of course, there Birkenstock patents, and that is the bottom of the cork can be changed according to your foot type, it will be more comfortable after long-term wear.

If you gentlemen are interested too, now go CPU can be purchased, if you want to network available, then click on the source of the can!
