I do not know since when, AJ began to take advantage of the year-end when the end of a big fuss, have brought heavy shoes. In November and December this year, we will usher in a continuous long-awaited two pairs of shoes air jordan IV "Bred" and the Air Jordan XI "Bred", although about two pairs of news we already had reported, but often see their messages still can not help make people excited today about two pairs of shoes sold for more details released to the public, but people this morning have put up signs pointing to the price of the shoes. When you see all of the offer price higher than the previous price engraved about one percent of the time, some friends began to escalate their problems. But I personally feel this need! For high-speed rising prices today, price of only about 10 percent lower than the industry level, but we can accept it better than some of the shoe from the hands of traffickers to spend several times higher than the original price to buy their favorite shoes Multi-righteousness. Anyway we all enjoy, the end of the year this road AJ feast of delicious, really do not let anything else to disturb the taste of this one!
