on Science and Technology Exhibition Centre in Wuhan fairs, even filled with a lot of fake and shoddy goods.

Yesterday afternoon, the reporter saw at the Convention Center, which is at the same time during the three fairs, clothing, food, kitchen utensils, electrical appliances, health care and other necessities. In a booth, the reporter spent five dollars to buy a double-double "Adidas" socks.

It is understood that the show is hosted by the Liaoning, a company, the company said a manager surnamed Wang, sales of goods are businesses into the goods, they are only responsible for the exhibit. He said the quality of the goods if the problem can find him. But he said, another six days, they will withdraw Nanchang running a show.

reporter then went to East Lake High-tech Development Zone Trade and Industry Branch, the council office official said, because the council has not yet law enforcement team, he will notice this area of ??Hongshan District Commissioner Hill of Industry and Commerce and Industry Branch situation. 4 pm, law enforcement officers seized from the scene many counterfeit brand goods, concrete results are still inspection.

< br / > Nike designed for female friends design shoes air max thea recently ushered in the new "Midnight Navy" color. Using leather shoes to fill mysterious dark blue appear, through the hollow and the relief of the Swoosh detail create exquisite beauty, and then carry white air base. At present, the shoes can be purchased through Afew, priced at around \$\$153. (Editor: YOYO)

< br / > in the oriental culture, "Yin and Yang" represents the things the opposite, it is the origin of the movement of things, but also for human being to understand the world the basic law recently puma will serve as an inspiration, bring a new blaze of glory "Yin and Yang" do not note series. Designers bring a total of white and black two color echoed the theme, as the design respectively by leather collocation breathable mesh material production and become, supplemented by upper position of circular hollow out design to increase the visual impact. Finally, equipped with trademark tronomic cushioning soles appear. This is full of mysterious oriental flavor, don't note series will on September 26 officially landed Hanon designated retailers, every price is \$85 pounds. The famous French master Pierre Hardy shoes after just two days before the launch of a black leopard sneakers, followed by another version launched this tiger pattern. Leopard has been the fashion world and the streets hot design elements, but had to admit after another in recent years, with Leopard element goods, indeed brings a little visual fatigue, although the tiger is also very popular design elements, but it does not like the leopard that has ultra-high appearance rate. Animal Pack is Pierre Hardy brand series of high-end shoes, has just launched the tiger and leopard edition version is still some small differences, tiger version instead of the in-tube design, shoes, hair who joined the Mavericks elements black suede lines as a foil, concise brand conjugated to ride with the words above, plus white rubber sole makes it look full of street sense. This tiger now has high-end shoes sale, which sells for \$ 775 (about 4950 yuan), and interested friends can go to purchase on SSENSE website.
